(1) My Dear Friend Nov 18. 62

(Enc.)

Thinking that my dear Sir, far
better in my reports might not be
understood by you I run the hazard

to present as my reasons the following
in September. while in Camp near Battle
Ground I succeeded in getting the Abstracts
made up to the first of the month and
the Provision Return completed to that time.

We were then without warning ordered on
a march to Kentucky since then I have had no
time accumulated and I have had no
chance for reporting. I hope through in
a few days to be able to send my
reports to you.

It would afford me some satisfaction
to know how my reports were found
by you whether correct or not. I would
also be glad to know what salary
I am allowed to pay my Book
keeper I have a young man with
me who keeps my papers and books
and would be under obligations to

you if you would allow me not much
further.

Asking And. that you will be
kind enough to hand me with an

answer. Your most aff. Servt.

Dr. Surgeon P. L. Waterhouse of 181 High St. having
applied for a certificate on which to ground an application
for an extension of said leave. I certify that I have carefully
examined the said Surgeon P. L. Waterhouse and find
him incapable of performing the duties of his office because
of extreme debility consequent upon repeated attacks of

it absolutely necessary for his recovery that he be granted
an extension of (30) days. I further certify that I
do not think he will be able to resume his duties
within a less period than ~~the~~ above named and recom-
mend that the ~~same~~ time be granted.

was not acquainted with them. I like all others
hope for peace this spring or next summer but
really as yet I see but little prospect for it. I fear
many bloody battles will have to be fought first.
I think however all that we have to do is to trust in
God and keep our powder dry to gain our independence.
that though it may and doubtless will be
at an awful sacrifice of both life & property but
we are into the war. And my motto is fight out
what it may. So say our Army as far as I can
hear. My health is good and has been for some time.
I will now close, hoping to hear a good report

I have not only to the officers of the Regiment but
 to the whole Regiment. And furthermore we have
 sent for some of the Officers this matter particularly
 when the matter is put as good as what the
 Georgia Material is the Regiment full agreement
 at the apprehension. From the fact that
 a man from the Regiment is present upon this
 preference to our Government as the other they are
 disappointed. We have then done it. We do not
 believe the Government has been about from the
 Regiment about half of the time since the war
 has and has more been in a battle with the Regiment.
 The Regiment has been in the battle at the time
 they are fighting. We are on the way there for
 the matter. I think that more with our American
 people every in the I do not wish to do the thing
 together. It has been a day I suppose good
 reasons for being. I think I have more about the
 becoming since to the Government. I have that upon
 to let it and up a Government. I have for the
 about to be apprehended. I think I have
 about except you as our representatives and the
 only chance which we can possibly make thing
 to allow to the matter at once by the doing of
 we are a feeling of the thing. I have

Regiment and ever that will be remembered
and after days
I have no power of improvement to write you
we are here but do not know when we may
be ordered to take up a line of march having some
time fallen here pretty much through last month
and I have not been for some time the past year
as I have been in the hospital. Another one of my friends
was possibly more in the hospital than
I have the knowledge of what the prospects are
here for another fight. I am trying for a day
days. I am long. To go forward there have
I have come out. I am quite a leader of the
Regiment and it is here for 9. M. To get off
you of course have long since done officers
account of the battle. I wish to see
see mention a few facts connected with it that
may be of interest to you. Nathan C. Meyer has
his right arm shot off and was taken prisoner
St. Kelly, making him a prisoner to George's house a
little from the fact that he is getting more the
British (Mother of John Bull) shot with a
he is also getting more from St. Paul. I have not the
one of old families are both making me suppose
they are prisoners. Many others were killed and
remains in our Regiment but I presume you

My dear General

I have just received from Doctor J. M. Stanton of Mass. a very interesting paper of great interest to the army, presents to the country, to render his health and character to his own satisfaction, and I have taken the liberty to forward to him this letter to me.

The paper with several other contributions is returned in this paper, which, and several to return, the amount they learned of the character of these states, and in fact much difficulty to induce them to take me, all to be done as the new Government was formed, the peculiar condition of this paper, I was living in a transition state, and the independence and the independence, and our interesting relations with the Indian States, all of which my friend "Tom" is to be to me, rendered the presence of these loyal soldiers as necessary. And they intend to be very close, to render with us all here, having their good and patriotic character in our cause, and I trust, the delay in returning, these Americans will now act in any previous their prospects for charitable contributions to give us information.

Doctor Stanton has been a valuable friend for me to know, and I beg to tender my humble testimony to his high and pure character, for my opinion.

personal attainments and ability and interest as
elegant. Furthermore, our views in this matter, State, and with
the South & any, whether the policy before us, or our own
Southern establishment.

The South has an interest in this, and our interest,
much valuable information, touching this question, the matter,
and our relations with the neighboring States,
and the Government in Alabama to bring the situation with
us of the South, etc., etc.

My friend has also assured you, of my earnest
desire to further the views and interest of our country
in this quarter, to the entire extent of my humble
ability and moderate means.

I remain, General,

With great regard

Dear Madam:

I have delayed since I addressed
a letter to you asking your aid in the procurement of an appoint-
ment in the Army for Dr. John H. Jordan, then States
to your decision of the course he would take in the
event of a separation of the Southern States from the North
or any portion of them in particular. Mississippi his native
State; I have since writing to you received a letter from him

stating fully his Southern feelings & the embarrassing cir-
cumstances in which he is placed; to give you fully his
views & feelings, I herewith send you a copy (entire) of his letter.
The distance at which he is placed at this present hour, viz
Bliss, on the Rio Grande, near the line of New Mexico, and in the
immediate vicinity of El Paso in Mexico, a town of 10 to 12
thousand inhabitants, renders communication with the
Seat of Government very tardy by mail or otherwise, say -
from 20 to 30 days. Under the circumstances I have endeavored

to place his position before the proper authorities and ask for his
an appointment in the regular army, in the Medical Staff,
and ask your aid & advice as to what course he had best pursue

It he were selected as a member for the Sea & Government
I trust that he would immediately resign his Commission in
the U.S. Army & once over his services to the government
of the Confederate States it be placed in our Service I think
be it right but by those at the head of the Government.

in your presence, at your earliest convenience give me
 your opinion and proper share of the President with the error
 he should take under the circumstances. I trust I may
 be ^{considered} fortunate in this matter & that I may have a
 favorable response.

Dear Father
Wm. H. Texas Jan 27, 1861

By the mail today, the news of the Secession of Mississippi was received at this Post. What should we do now occupy? Am I in the service of a foreign government? I am anxiously expecting letters from you in reference to ~~affairs~~ at home. You know I am a Mississippian & a Southerner in every sense of the word & am ready at any time to renounce my allegiance to the present government & serve my State in any way that she may think most advantageous to her interests.

As long as I hold a Commission from the U.S. I cannot but prove true to my oath. A great many Southern officers think it is best not to resign & leave the entire Army under the control of the enemy. As Texas secedes, or which I think there is no doubt, what is to become of the U.S. Military now within her limits? Are we to disband the troops of a foreign government & occupy her territory. Should the army be disbanded the entire Union would be at the mercy of the Mexicans on one side and the Indians on the other. Should the Southern Regiments resign the troops of the rebels be left in the hands of the enemy. The citizens in this vicinity are almost

Dear Sir

You having been elected by the Commanding
General President of our Southern United States, and
it being certain that a regularly organized Government
will be in operation at a very early day, both in the Civil
& Military departments: I take the liberty, which I feel
I may do, without being considered obnoxious, or thus
early bringing before you a subject & accordingly, for
appointment in the Army (My Son), I John M. Hadam,
now an Assistant Surgeon in the U.S. Army.

Dr Hadam has been in active service for 13 years &
will to best credit to himself or service to the Country, you
are best qualified to judge. Dr Hadam is Southern
till you birth principles: He has first written to me, asked
West Union, Tany 10th. He says he is very anxious to learn
the action on Mississippi into decision. Did the seeds, he
would begin his services there, as his native State or to the
Southern Republic, is one should be named, as in the war

Dear John

The honor to receive a letter
from Robt D Wadsworth, was a copy
of a letter of Leonard J M Wadsworth
for your consideration. I have
known Dr Wadsworth his child-
hood and would take pleasure
in having testimony to his char-
acter. I am 'doubt' necessary - but
he has been in the service of the U.S.
for thirteen years or thereabouts and
his standing is familiar to the
department. I do not doubt he
will merit at the hands of the cabinet.
I must the consideration which
his position and merits entitle
him to more than that any other

Dear Sir

I avail myself of your kind offer to
serve me, to ask the favour of you to send me by mail
a small portion of Vaccine Matter if to be procured.

It is reported that a pardoned prisoner who has just returned
to his home in this neighborhood, (about ten miles from town,)
has Small Pox. I have made diligent enquiry of the
Physicians of this place & find that no Vaccine Matter
is in their possession or I suppose there is none in this
region. Your early attention to the above request (if within
you power to comply) will confer a favour which will be
very thankfully acknowledged by very truly

Dear Sir,

In reply to a letter
 made by you on yesterday, I said that I did
 not care particularly about being released from
 duty for a few weeks yet. But I leave today
 of the "commission" and I cannot leave you of
 my family that will require my presence at home
 I am in the hospital
 I agree that requires the continuation of a surgeon
 at the Post for that special duty, as all the duties
 can be discharged by some one of the hospital staff
 in a moment and any additional duty at this time
 so if possible, release me immediately
 and send the order by return mail
 and much else
 Very truly yours

Dear Sir,

I regret to announce
the death of Capt. R. H. Morky, Commis-

immediately that Mr. C. Hagan to fill the
vacancy occasioned thereby. I hope he can
do his part for Hagan. may be com-

my requirement is detached from the
balance of this command and
it is almost impossible to get
along with my Regt. of officers and
regularity without a commissary

I certify that I have carefully examined Capt W. W. Hagerly U. S. M. Doctors Beigado & find him laboring under Chronic Rheumatism, which totally unfit him for field duty.

I have known this affection to exist for two years, during which time Capt H- was on duty with my Regt. Having been frequently called upon to lead the division, I have observed that it more severe during cold weather, or the winter months & from sudden changes of temperature. Capt. Hagerly has been unfit for duty for the last ninety days & I regard a change of climate that adapted to his recovery & the only remedy likely to improve his health.

I had the sad misfortune of losing a few days ago, by death in battle, Col. ~~Wm. L. Woods~~ who was shot at S. C. & at N. C. to the close of the battle; also, that at a fight at Careville, near Black River, Capt. Hazard in discharge of a line of stormiers, handled them with marked gallantry and skill and in concert with other stormiers from the English drove back the Enemies' stormiers & put him of little this quality, as a gentleman and soldier, equal his conduct on the field & I will add my ~~personal~~ ^{official} admiration & appreciation. maintain the efficiency of the Regt. to its present high condition.

In obedience to the requirements of the Law, I will state that this officer particularly distinguished himself at the battle of the 3rd Mameas: that at the battle of Sharpsburg when his superior failed to sustain the Regt. in its hour of trial he stood independent of all aid. Col. Kilpatrick had been appointed from the majority of the Palmetto Shopkeepers, to the command of this Regt, which was then in a deplorable condition, and which Col. Kilpatrick by energy & management made since, one of my best. By his death the Regt. will again fall into the same hands, which before Col. St. appointment by Mr. President Davis.

I have the honor to make up

Excellency, under the law allowing promotion

I. Boards of Examination appointed by Brigade or Division Commanders for the purposes prescribed in Paragraph I, General Orders No. 28, Adjutant and Inspector-General's Office, Richmond, May 28, 1862, are expected by the War Department to render a separate and full written report concerning each officer examined, showing in detail the grounds for the opinion or criticism of the Board.

All reports must clearly set forth the means applied to test and determine whether or not the officer examined is fit to perform his legitimate and proper duties, and, if examined for promotion, whether or not careless and inattentive to the duties of his grade; also, what proficiency was exhibited at an "actual trial of drill" in each case before them.

II. In case of the refusal of an officer to appear, the Board will proceed to take and report evidence as to his fitness or unfitness for commission; and the officer refusing to appear for examination will be arrested and brought to trial for his refusal.

III. District Commanders will at once organize and appoint suitable Boards for the purpose of examining, in accordance with the foregoing requirements, all officers in their respective commands, who, having been previously examined, were reported deficient or unqualified; and for the examination of all officers previously reported as having failed to appear. Reports duly made as herein provided, signed and authenticated, will be forwarded after the conclusion of each examination.

IV. Officers who may prefer to resign rather than be examined, may be permitted to do so.

V. The special attention of all concerned is called to the provision of Paragraph I, General Orders No. 28, Adjutant and Inspector-General's Office, series of 1862, and of Section 2, Article 28 to "Retire the Army of disengaged, disabled and incompetent officers." Sir

I have been informed that Major
Genl Pemberton, commanding the
Department of So. Car. & Georgia, has
applied for the appointment of two Reg-
iments, one to command Georgia Troops
the other for the command of troops
in this State. Allow me to place be-
fore you the name of Johnson the
good, ranking Colonel in the Pro-
visional Army. He graduated the first
of his class in the State Military Academy
in the year 1847, and has ever since had
a passion for the Military. With some
claim to science, he is as well inform-
ed in Military History as any. ~~Officer~~
I have met with. He has been now
more than a year in Camp, and the
six companies in his Regiment of
the old organization are as well drilled
and under as thorough discipline
as any in service. I confidently
recommend him as a fit appointment
for Brigadier General. He is at pres-

Sir, You may perhaps recollect my application for a transfer from Infantry to the Cavalry from of the services rendered by Genls. J. H. Winder and J. E. B. Stuart. A number of times you have doubtless overlooked it, your earliest attention will much oblige me, hoping to hear definitely from you, with high respect

I would most respectfully ask
 that I be ordered to report for duty to
 Genl. G. B. Stewart. And before going
 would ask for a short leave to visit my mother
 as I find that my business is suffering
 for some attention. I would not ask the
 leave but have been here since the
 8th Jan'y and have had no leave or
 right the arrangements given by you, and a
 sick leave which expired before I was able
 to attend duty, and did not extend beyond
 the limits of this state. I would ask to
 remain at home twenty five or thirty
 days, so that I can arrange all my business.
 Most Respectfully

July 29 1863

Genl G. S. Peary

Dear Sir

I should like to take a trip, to James Island, for a view of the localities of our batteries & the character of the guns, as well as a nearer view of some points on Morris Island, for more explicit reports to yourself, from the Observatory.

If the suggestion should meet your approval, will you please send me a pass, & I will take the first opportunity for a flying visit, in the vicinity of the Army.

Very Respectfully Yours
Hos. C. S. Peary

My dear Sir,

General in the 1st Cavalry being newly been removed in order, and being over assigned to the command of this Division in the 2nd Corps of the Army of Northern Virginia, I respectfully ask that the following appointments be made on my staff - Major Samuel H. Hale Commissary of Subsistence to be Adjutant-Adjutant and Inspector General with the rank of Major -

Andrew L. Pitman, a Captain of Private Cavalry, to be 1st Lieutenant and Aid-de-Camp -

William J. Callaway, a Sergeant in Company 'B. 24th Va Regiment to be 1st Lieutenant and Aid-de-Camp -

When in command of a Brigade in General Beauregard's Corps of the Army of the Potomac, I procured the appointment of Captain Fleming, Surgeon as 1st Lt. and 2nd grade of Surgeon. B. H. Early as aid-de-Camp, and just before the Army fell back from Yorktown I asked for the appointment of Major Hale, then acting as Adjutant of the 48th Va Regiment, as Commissary for my Brigade.

I was in command of the 1st Brigade of the 1st Division of the
Brigade General since the 1st of July, 1861, and was in command of the
Hale's Battery in the 1st Division of the 1st Brigade of the
1st Division of the 1st Brigade of the 1st Division of the 1st
point of the 1st Division of the 1st Division of the 1st
I reported for duty to General Lee on the morning of the
29th of June, and my old brigade having been broken
up and the remnants composing it distributed among
the other Brigades, I was assigned to the 1st
The 1st of July, to the 1st Brigade of the 1st Division of General
Elger's Brigade of Cavalry Division, with the assurance that
a command should be assigned to me as soon as the
 exigencies of the service required. Capt. James
and Capt. Cook, Third Regt. Capt. Graham received duty
The 12th of July, and Major Hale having received word
his command and executed his duty, reported to me
on the 21st of July, and General Elger's Brigade being
was then sent to the 1st Division and was left with me
Capt. Cook, who remained a short time, I placed Major
Hale in command of the 1st Brigade of the 1st Division and he
continued in duty to the 1st Division acting as the 1st
General for the 1st Division until the battle of Sharpsburg, and
for the 1st Division since that time. The Assistant Adjutant
General for the Division, Major James Barbour, has
been absent since about the 1st of June, having dated

Head Quarters 2nd Virginia Army
of the Potomac. April 30th 1862

To the Genl. W. Randolph

Secretary of War C. S.

Sir

My Brigade Company has ever
been appointed for any Brigade, but a Captain
who is Asst. Com. to one of the Regiments has
been acting all the time to the great inconvenience
of his regiment, and he now desires to leave
the service. I have the honor to apply
for the appointment of Samuel Hale Jr of
the County of Franklin as Brigade company.
I know him to be a very capable and able
man. He has been in service in Northern Virginia
as Captain of a Company in the 42nd Virginia
Regiment, but, like many very worthy and
efficient officers, has failed of a promotion under
the new Act of Congress.

Very Respectfully

Yours etc. J. A. Early

Asheville, N. C. March 9/65

Major

I see that the proposition to institute a Military Court this Sept (This & Saturday would be the proper alternate dates for it) is unsolicited in Congress.

I have thought & renew my application for your good services in performing one a Judgeship themselves.

But if this be unob-

-tainable, I'd accept the of Advocacy. But to have to perform the

most hard work and all the hard labor (as the of it must) yet get the least honor & pay, seems to me rather unfair.

Of such inconsistency, however, is the Kingdom of Earth.

I need less say, such as the Conscription for it has not, to provide or forage for my imperious family.

Now, I average ten hours per diem of labor; while the Munition, better paid, averages four of sitting.

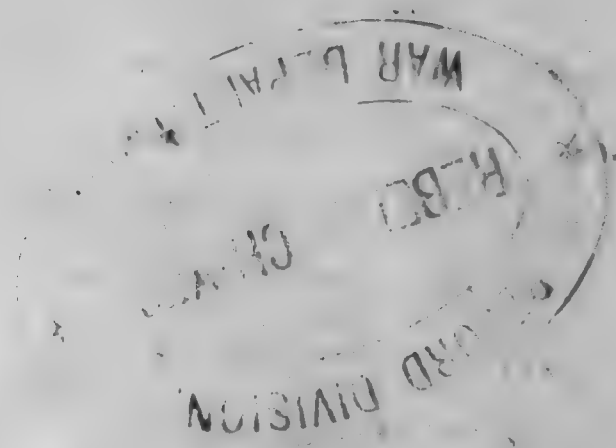

These help a poor devil of a
refugee to taste some of the relative
sweet of Army life?

to Mr. Siddle, Judge
Shelbyville, Ind. Dec 2, 62

I fully concur in the statement made
by Col. Kelly of the 8th Cavalry in a letter to
Asst. Dir. Mr. Capt. Haley of the same regt. and
I agree to expending, that in the
circumstances, should have given him
from failing his bond in compliance with
the rules regulations of the service, at
the proper time required. Capt. Haley has
been always regarded as one of the most
efficient officers in his department in
the brigade and I trust, upon the same
record that he will exhibit, you will be
pleased to restore him to his position
formerly held in the command.

I am, Sir, Respectfully,
Yours, R. Siddle

While at Harrison Tenn Captain J. H. Haly
~~Asst~~ Asst Gs Master of this reg^t received notice
of his appointment - to that office and immedi-
ately took steps to fill the required bond -
but before he could complete the necessary
arrangements, we were ordered on the march
and for nearly three months thereafter were
continually in motion. This fact - together with
the political state of the country which prevented
access to the proper officers and the great press
of business consequent upon the nature of the
march - rendered it a matter of utter impos-
sibility during the course of the campaign in Kentucky for
him to qualify himself in the manner required
by Law.

Upon our arrival at Correll Springs an opportunity
presented itself to Captain Haly for filling his
bond, but, as he could take a single step in the
matter he was notified that his name had
been dropped from the roll of officers because
he had not forwarded his bond as required by
regulations.

Capt Haly has made up his accounts
and they are now ready for inspection by the proper
officers.

He has always shown himself a zealous and
efficient officer and I am very desirous of retaining
him in his position of Asst Gs Master in my regiment and
would therefore respectfully request that he be allowed to fill his
bond and resume his duties in the office which he formerly held.

G. W. Randolph Secretary of War Sir

I am Sir,

writing and anxious to send my Country to the most of my ability till our circumstances shall have been relieved.

It is only given conviction, though, that this can be accomplished much better in a company which I wish to join than in that in which I at present am, and it is with me now that I submit to you most respectfully an application in a transfer from this Company to the Undermarching Artillery Cape Quarter in Brazil: and at the same time tender the

following reasons why in my judgment I may expect a favorable answer to my request. (My father's family

reside in Undermarching, and I left that place lastly soon after the war broke out, to join this Company in which I at present am. I have two brothers in Cape Brazos Co.

so well as some fifty or sixty old school-masters and grounds, all of whom reside to of the town. As my birth place

is now in the hands of the Yankees, and I am an exile, you will readily see that if I were in the United Co

which is composed entirely of citizens of the place, I could not readily leave home, and communicate with my home

and those who are dearer to me, than I do now when I am. I am now in a Company of Comparative Men

gers, and from a different part of the State than that which I call my home. Before uniting which I did several

months since. I made two separate applications to the

100

existing officer at Yorktown to allow me to recruit for
Cape Charles Company thinking to get with my brothers
and friends that I was spread on the ground that he
could not enter me for companies out of the department
the Co of which I speak being at that time at Exeter.
I made some at about attempts to satisfy myself
as to the law upon this subject, but was hampered so
that in desperation almost I again joined this Company
being anxious to recruit. At the same time, though,
as my Captain is now I looked forward to the possibility
of getting a regular transfer. Virginia's Volunteers are
anxious to serve their Native State and Country till every

invasion shall have been driven from its soil, but as that
same time we do think that justice has ~~not~~ been shown
us in the multitudinous laws which have been passed and
annulled concerning us in the last few months. Indeed,
as great has been the confusion with regard to them, and as
members have been their interpretations, that we all now
are, and have been for some time hopelessly ignorant of our
privileges and restrictions and at a loss how to act.

With my application then before you, and hoping that you may
regard it favorably, I await most respectfully your reply.

Very truly

Franklin S. Hall

GREGG'S BRIGADE, DEPT. MISS. & E. LA.

HALL, THOS. W., Maj. & A. A. G.

Aug. 9, 1862. Col. John Gregg and other officers asked that measures be taken for the release of Thos. W. Hall from Fort Warren. (Report A. G.)
Memo. Was Editor of a ~~Richmore~~ newspaper and when released went South and joined Gregg. (Personal Papers.)
March 1, 1863. Gen. John Gregg, at Fort Hudson, nominated him for position as A. A. G. on his staff. (Personal Papers.)
April 30, 1863. Appointed Capt. & A. A. G. from Texas; to take rank Feb. 27, 1863, to report to Gen. John Gregg. (Report A. G.)
Jan. 28, 1864. All records to this date show him Capt. & A. A. G. to Gen. John Gregg, comdg. Brig., Dept. Miss. & E. La. (Vol. 24 1, p. 740.)

GREGG'S BRIG., A. N. VA.

Jan. 28, 1864. Capt. & A. A. G. ordered to report to Gen. Longstreet for assignment to duty with his corps. (S. O. 23 (22) A. & I. G. O.)
Sept. 12, 1864. Capt. & A. A. G., reported under G. O. 71. (Report A. G.)
Memo. This officer's name appears on a list of A. A. G. on duty with Army N. Va. Oct. 18, 1864, as A. A. G. of Gregg's Brigade. Kerr, John W., was assigned Nov. 4, 1864. The inference is that Hall was relieved on that date and when he again entered on duty it was that of General Inspection. He remained on that duty until the close of the war.
Nov. 26, 1864. Capt. & A. A. G., ordered to report to Gen. Ewell for assignment to duty with Col. M. Lewis Clarky comdg. Barton's Brig., near Fort Harrison. (S. O. 24 2-1 (57) A. & I. G. O.) He evidently did not comply, as on
Nov. 28, 1864, Capt. T. W. Hall, A. A. & I. G., is assigned to duty with Williams' Cav. Brig., A. of Tenn. (S. O. 302 (27) A. & I. G. O.) Revoked Dec. 29, 1864, by S. O. 308 (12) A. & I. G. O. and Capt. Hall was assigned to General Inspection duty. (H-3186 A. & I. G. O., 1864)

Dear Mr. [Name],
 I have been thinking much lately
 about the future of our country.
 It seems to me that we are
 passing through a great crisis,
 and that the result will determine
 whether we are to remain a united
 people or become a collection of
 warring states.
